

MORE THAN A BUSINESS. A COMMUNITY PARTNER.

Through charitable giving, local partnerships, volunteerism, and economic investment, we're proud to support Sandersville and Washington county.

CHARITABLE CONTRIBUTIONS

- Helped launch a new community food pantry in Washington county by stocking shelves and expanding access to essential food and resources for local families.
- Proudly supports Miriam Ministries, helping provide diapers, wipes, books, toys, and other essentials for Washington County families with young children, as well as First Love Kids, which empowers children academically to reach their full potential, and the Pam Stewart Cancer Foundation, which supports individuals and families impacted by cancer.
- Annual sponsor of the Washington County Concert Association, helping bring quality performances to the community while providing free access for local students.
- Sponsored the Georgia High-Lo Trail's six-week Leaders in Training (LIT) program, developing the next generation of mountain bike coaches and trail leaders in Sandersville.

COMMUNITY EVENTS & SPONSORSHIPS

- Proud sponsor of the annual Kaolin Festival, celebrating the rich history, heritage, and traditions of Washington County.
- Sponsors Main Street Movie Nights, bringing families together for free community entertainment, inflatables, popcorn, and fun.
- Sponsored a mobile ice rink during the holiday season, giving local families the opportunity to enjoy a unique winter tradition close to home.
- Participated in Sandersville Main Street's annual Trunk or Treat, creating a fun and safe Halloween experience for local families.
- Sponsored the Kids' Area during Sandersville's Independence Day celebration, featuring free games, mobile train rides, and activities for children.
- Supported the Sandersville Pilot Club's annual Lite-A-Lite fundraiser, helping fund programs that promote brain health and safety while serving children with special needs and senior citizens.

FREE BACKPACK PROGRAM

- CleanSpark recently launched its 2026 Back-to-School Kindergarten Backpack Program, that will provide 250 Sandersville students with backpacks filled with school supplies to help them start the school year prepared and confident.
